

CSR Initiatives: Making a Sustainable Difference

We are committed to uplift the less privileged communities through focused CSR initiatives in the areas of education, environmental sustainability and rural development.

Imparting knowledge with Shiksha Kendra

We collaborated with Shiksha Kendra School, a social initiative by the Delhi Public School (Gurgaon) to impart education to the underprivileged children. The objective of the initiative is to help them become confident, knowledgeable and responsible citizens of India and fetch a better standard of living for themselves and their families. The beneficiaries under this initiative are entitled to avail the benefits of DPS infrastructure and its other resources including books, uniform and transportation.

VISION

To predominantly offer free healthcare support to the underprivileged and economically weaker sections of the society by providing easy access to medical care.

MISSION

To provide free access to medical assistance, i.e. access to medical consultation, essential medicines, pathology and diagnostic tests to people in the community and villages close to the plants, with an aim to improve the overall health index of the communities.

Sustainable healthcare through AARU Clinic

Sustainable healthcare is one of the most basic needs of the people. Its basic but at the same time most important for the people to lead a healthy life with sound health. Yet the same has been one of the most pressing and deprived amenities for the marginalized and economically weaker section of the society in current times in our country. As a responsible corporate entity, we have pledged to address this issue with most of our potential. Adhering to the same, we got ourselves heavily engaged in setting up AARU clinics, under AARU Care community health care initiative by RJ Foundation, aimed at providing adequate healthcare facilities to the economically weaker

sections of our society in rural India and enhance their well-being.

During CY 2023, 10 AARU clinics are operational in India and

1 in Nepal which have provided healthcare services to over 1.1 lakh patients. These clinics provide free of cost consultation, medicine and lab tests to the people.

Pravah: Building skills for a sustainable future

Unemployment of youth is a grave challenge that India faces, having far-reaching socio-economic impact. Pravah Skill Development Centre, by upliftment of unemployed youth in the marginalized sections of the society, is an attempt to mitigate this challenge.

Its structured, sustainable and scalable framework enables skill development and facilitates an enriching learning experience to the underprivileged youth. With an objective to bring them into mainstream, Pravah aspires

to become a leading skill development centre. The initiative is aligned with center's mission to train maximum skilled workforce to meet domestic regional requirements of a growing economy.
